

Job Title Associate
Job Duration Full Time
Company Keybridge Web

Job Description

We are seeking a bright, energetic, self-motivated college graduate who is interested in starting a career in web design and development. Prior web experience not required. We will train the right candidate, and provide opportunities to grow along with our company.

Responsibilities include:

- Providing website support for our clients. This includes troubleshooting and responding to client support calls and emails.
- Performing website maintenance including backups, monitoring and reporting.
- Providing web training for our clients.
- Working alongside our development team on website enhancements.
- Other various web related duties.
- Assist with sales as needed.
- Work under deadline in a fast paced environment.

Must have strong organizational skills, exceptional attention to detail, and an interest in technology.

Salary Negotiable
Benefits 401K/403B, Bonuses, Dental, Health, Disability
Job Category Website Development
Job Location Glen Allen, VA 23060 USA
